Palisades Interstate Region

Saratoga/Capital Region
John Ferrie

Taconic Region

Thousand Islands Region
Kris Shirley

Congratulations on passing the first step towards employment with the New York State Department of Parks, Recreation, and Historical Preservation. If you are successful in obtaining a position within this department you will become a part of a long and distinguished history of protecting the visitors to our lakes, rivers, pools, campground waterfronts, and ocean facilities.

After you have successfully obtained a position in a facility, please take the time to fill out this application to become a member of the union. The New York State Lifeguard Corps is affiliated with the United University Professions (UUP) and the New York State United Teachers (NYSUT). As your union, we have successfully negotiated contracts, increased wages, improved working conditions, and provided representation for all our members across the state. We look forward to providing the same level of services to you in the future.

In accordance with the decision in Janus v. AFSCME, and with language adopted in the state budget, those who are not registered members of the union will not be entitled to any benefits above and beyond the negotiated agreement provided by the union to dues paying members. If you are not a member of the union, you will have to provide for your own representation during disciplinary procedures. The union will still negotiate the contract for all employees and provide for the enforcement of the provisions contained therein. *We believe it is crucial for all members to join so we can continue to represent you to the best extent possible.*

You can complete the application by following the QR Code:

You can find our website at: <http://nyslifeguard.ny.aft.org>
If you ever have any questions, or need union representation, please email us at:
nyslifeguardcorps@gmail.com

Best Wishes,
Ryan Clark
President, NYSUT
